

# Taste Tour

Discover the delicious tastes of fresh Matakana produce; has restaurants or purchased from the roadside. The quality and care our passionate locals instil in the creation of their produce is evident in the taste sensations you will experience.

## Itinerary

The Matakana Taste Tour includes visits to 2 wineries as well as 3 local producers of your choice - choose from the following: Sausages, boutique cheeses, hand-made chocolates, gourmet smoke house, coffee roasters, oysters, honey, ice cream, olive oil, pure water & a farmer's market option on Saturdays.

## Tour Highlights

- Meet colourful, talented locals along the way; enjoy their stories of how their ventures established and flourished.
- Enjoy a delicious antipasto platter lunch at a beautiful winery - another opportunity to sample the delights of this region
- Savor quality artisan foods hand-crafted with passion - feijoa fruit wine, handmade chocolates with manuka honey centers, gelato made with local berries, boutique blue cheeses, award winning ice cream and world-class olive oil. This tour must be good for you!
- Along the way, soak up Matakana Coast's beautiful and diverse scenery. Rolling countryside, golden beaches, sunny coastline - this is our backyard and it truly is spectacular.
- As time allows, this tour also includes visits to other local attractions. These may include the famous Morris & James Pottery factory, a 1,000 year-old Kauri tree and a place with panoramic views.
- Tour itinerary is flexible for private groups or for groups where everybody agrees on the change requested. One winery stop can be swapped for a craft beer brewery or an apple cider farm; or choose to depart earlier and add on an activity such as the Oyster Farm Tour by shuckle ferry.
