- Craft beer brewery tour
- Hearty gourmet lunch
- Smoke House

Tour Highlights

- Enjoy the company of colourful characters sharing their stories and their sheds. We kick off with a local collector of 'toys for boys' stored in one of the ultimate man sheds with epic rural views & hang out space.
- Indulge in the hearty, smokey flavours on offer at the Smokehouse. This shed is the tastiest yet – taste delicious buffalo biltong or hot smoked Akaroa salmon. Study the smoker up close to learn how this family team make it happen.
- Enjoy a visit to an apple orchard to taste apple cider. 'No lolly water here' says Lesley, our passionate grower of cider apples.
- Soak up a true tale of kiwi ingenuity from the developer of Eco Systems. Starting with the discovery of quality water in his bore, and then dealing with the issue of getting it to the consumer without plastic, this is an inspiring story of kiwi nousé.
- Take a behind-the-scenes tour of our local craft beer brewery before enjoying a delicious meal, specially cooked to complement the robust flavours.
- Finish the day by sampling more local craft beers at a local pub - the perfect way to wrap up a day enjoying the sights and flavours of Matakana Coast.
